Subject: RE: Frist Bag Fee Press Release Draft

I thought tying us to DL could be misconstrued as a negative or colluding.....do you want that reference in the release or just fed to reporters when they write the story?

We can easily add it back in if you want it back in there.

I'm ok with most of the changes, but think we should keep some reference to DL/NW as Judy wrote it – it guides how the reporters will write the story. Thanks.
